1942
Craftsman

# Foreword

THE MACOMBER GRADUATES of 1942 are proud of their practical vocational training. Never in the history of America has there been a more urgent need for skilled workers. "Technicians! Engineers! Craftsman! Mechanics! Architects!" For these trained workers our country loudly calls in its struggle to preserve its democratic ideals and practices. We, Vocational Graduates, will do everything in our power to cooperate with our fellow citizens in this great, worthwhile task. We gladly extend our services to preserve the greatest of all privileges—the right to be free.

The theme of our yearbook was designed to emphasize the unlimited value of our vocational training. "Macomber Geared to Toledo Industry" can readily be changed to "Macomber Geared to American Industry." American industry, a vital force in the preservation of human freedom, will further aid the world's progress by furnishing the Allied Democratic nations with all necessary materials needed in winning the fight for the preservation of the right to enjoy life in nations where there is "liberty and justice for all."

Our Macomber instructors have guided us patiently and constructively through our trade courses, and, for this we offer our profound gratitude. Sincerely, and, from the very bottom of our hearts we say to the faculty of Macomber Vocational High School, "Thanks a million."

Supplied as we, 1942 graduates, are with this valuable technical education, we now exclaim, "Uncle Sam, we are ready to help you preserve the democratic way of American life in whichever capacity we can best serve."

# Dedication

CLYDE HARR

MACOMBER VOCATIONAL High School's splendid athletic program is regarded with admiration by all persons. Especially, do the Alumni feel proud of the progress which has been realized in the creation of our Athletic Department.

Fourteen years ago Clyde Harr, a mathematics teacher, joined the faculty of Vocational. Realizing that the craftsmen needed athletics, Mr. Harr exerted his efforts in organizing an Intra-mural program.

In 1934, when Vocational received its First Class High School Charter, the foundation for a real athletic program was laid. Funds were raised, teams were developed for out-of-school competition, and complimentary newspaper publicity was obtained.

Mr. Harr's sincere efforts won him the admiration and respect of his fellow teachers who joined him in the promotion of his worthy project.

Now, Macomber's athletic program includes many intramural sports, gymnasium work for ever student, and competitive city league teams in baseball, basketball, golf, tennis, and bowling.

At the present time Mr. Harr is our Athletic Director and our baseball coach. During his coaching career, Macomber has won three city league championships in baseball and the Toledo Blade Sportmanship Trophy in the school year of 1936-1937.

In recognition for his valuable work of the past, which now provides the students of Macomber with a variety of athletic activities, the Senior Class of 1942 dedicates their yearbook to Coach CLYDE HARR.

# School Song

All Hail! Vocational, Our Alma Mater, Hail!
All Hail! Vocational, Our Pride and Glory, Hail!
Within thy sturdy walls we come to learn thine art.
May we all firmly strive our best to do our part.
All Hail! Vocational, Our Pride and Glory, Hail!

Thy precepts and thy manly virtues mark each day,
Thy spirit and thy dauntless faith will live for aye.
With ready hands and hearts we'll build each structure true.
And may our lives a worthy pattern be thru you,
All Hail! Vocational, Our Pride and Glory, Hail!

All Hail! Vocational, Our Alma Mater, Hail!
All Hail! Vocational, Our Pride and Glory, Hail!
We raise our youthful voices on high to sing thy praise.
Oh, deep within our hearts abide thru all our days.
All Hail! Vocational, Our Pride and Glory, Hail!

# The Craftsman's Farewell

*by Carroll Jordan*

Three years ago my path was green,
My footsteps light, my face very clean;
Alas, and could it really have been so?
For here I am now sitting in the Senior's row!

Three years ago,—now many a thought
These whispered words have wrought
From memory's stored-away treasures:
The gym, the auditorium, the cafeteria,
The spacious halls, many, many books;
The voices of my dear friends;
And their always welcome looks!

I seem, again, light-hearted and free,
Stout-limbed, with a simple heart,
Pursuing every idle dream,
And shunning every warning.
I had no hard work except Math.
(I mean, I experienced no chills
Except on Examination Morning.)

Kind Mater smiles again to me,
Very brightly when we part.
She says with pride in her honest heart;
"Return again, dear Craftsman,
Return to Macomber High
That we may have proof of having made men
Of those boys who this way through life passed by."

As it has been a custom long,
To bid farewell when men depart,
So will I sing this solemn song:
"Farewell, dear school." With all my heart,
To my friends and instructors, I say
"Be faithful to Macomber, and to her be
True alway."

## Vocational Education In War And Peace

The importance of the four services—vocational guidance, vocational education, job placement, and follow-up, which this school offers to individuals, to industry, and to the community, is of greater need today and is of more outstanding value to every Toledo citizen and to every Toledo industry than ever before in the history of this school. The value of being guided into the right vocation and of being properly trained for it has been forced upon the consciousness of the American people by the past depression and the present emergency.

The graduates of this school face shifting tides of fortune; some of you will be in the army of the front line, while others will be in the army of the production line. Every graduate of this school should be able to go forth to take his rightful place in the world of work, whether in war or peace, and with a few years of practical experience, become a skilled craftsman. You should use the mental and manual skill and the related technical knowledge taught in this fine institution to produce quality products, better and faster, and thereby prosper and succeed in life.

In the skilled hands of American workmen, and Macomber graduates who are a part of this group, rests the fate of 130,000,000 Americans and of all humanity. On a thousand fronts in America there rages the greatest battle of production, to defend itself and its friends, the United Nations. A huge force is working quietly, but with tireless vigilance, to save men's lives and limbs, the taxpayers' money, and precious time. We face today the challenge of the ages; our task is to produce "better and faster" than our enemies, or we perish. We must all give the best we have of ability, energy, and effort or there may be no future in which to enjoy the freedoms which all Americans have learned to love.

The opportunities for work and potential advancement for every 1942 Macomber graduate is greater than for graduates of any other year in our history.

"May you live a happy and useful life! May God watch over you, guide and direct you on your way," is the sincere wish of your principal,

F. M. Dannenfelser

# Coordinators

HARRY J. BAUMKER

WILLIAM W. CHAMBERS

WILLIAM G. PEOPLES

THE CO-ORDINATORS of Macomber Vocational High School serve as the students' lifeline from school to industry. It is their job to contact business and industry to keep the requirements of our school properly geared to industry as the industrial world constantly changes. These latest trends and changes made in industry are reiterated to the instructors who see to it that our school keeps up to modern developments.

Most directly important to us, as students, is the co-ordinators' service of acquiring and filling jobs in industrial plants or shops with us, Macomber students.

Also, the co-ordinators are the ones who create the all important goodwill of industry toward vocational education, as well as actually promoting and selling it.

Mr. Baumker is the boys' Full Time Trade Preparatory and Cooperative Co-ordinator, while Mr. Peoples is the Part Time Trade Extension (Apprentice Training) Co-ordinator. Mr. Chambers is in charge of the Adult Evening Trade Preparatory and Extension Plans. He also conducts the National Defense Training Program. From these three co-ordinators the students of Macomber receive practical benefits.

*NOTE:* The figures in the Senior records 1, 2, and 3 refer to Sophomore, Junior, and Senior years.

A co-op student is one who attends regular classes related week and works in an industrial firm or shop of his chosen trade during the alternating weeks, which ordinarily would be his shop work weeks.

## Good Luck

The students of Macomber extend a respectful salute to their former classmates who have joined the armed forces of our United States. In no small way they are willingly giving everything they have in a tribute to American ideals of freedom. As their former "buddies" we wish them "lots of luck" in their new adventure.

All servicemen who had left on or before January 19, 1942 are included on these two pages.

# The Student Council at Work

The Macomber Vocational High School Student Council, representing the student body in its participation in school legislation, promotes cooperation between the students and faculty in solving the problems confronting our school. The Council consists of one representative from each shop group, the editor of the school paper, the president of the graduating class, and two faculty advisers.

Many accomplishments have been made by this year's Council. A few of these outstanding accomplishments include: the giving of Christmas baskets, the planning of our mass meetings and student assemblies, and the arranging of the after-school dances. Our faculty advisers of this year's governing body, Mr. A. C. Bippus, and Mr. J. J. Damas, did an excellent job in aiding the members in their particular problems.

It is indeed a privilege to be a student of such a school as Macomber, where its faculty and students enjoy cooperating in the making of rules that will be beneficial to all people who are directly or indirectly connected with the school.

## Graduates

**BACK ROW**

Joe Ambrose, President, Jack Anteau, Secretary, John Brimacombe, Nick Balasz, Lawrence Cauffield, and Fred Nelson

**SECOND ROW**

Ed Czolgosz, Bill Engler, Tom Fairbairn, Harold Gutman, Carroll Jordan, and Harold Sperry

**FRONT ROW**

Harold Kasparian, Edwin Peters, Bob Senn, Bill Golightley, and Mr. Paul Steelsmith, Adviser

The Hi-Y club, taking part in a well-rounded program, has worked diligently "to create, maintain, and extend throughout the school and community high standards of Christian character." The Hi-Y's various activities were intended to help attain this very worthwhile objective.

Some of the outstanding social events held were: a Hallowe'en party; a skating party at Memorial Hall; roasts, which were held at Side Cut Park and Ottawa Park; the basketball game played in the annual City High School Tournament, and, also the one with the Engineers' team of this school;

and, a party, the "Mac Frolic," given on Friday, the thirteenth of March, to which the members of the Hi-Crier staff, the Engineering Society, and the Girls' Friendship Clubs of Whitney were invited.

Harold Hubbard and Jim Keil represented Macomber in the annual State Hi-Y convention which was held in Springfield.

An estimated 1500 boys and girls attended the four meetings held in the annual Lucas County Hi-Y—Friendship Club Forums during the month of February. Macomber members assisted in planning the third meeting.

Outstanding aid has been given Hi-Y activity this year by our adviser, Mr. Steelsmith; and, by Mr. Doebler, Mr. Krost, Mr. Kaiser, Mr. Damas, Mr. Dannenfelser, and Mrs. Langenderfer.

Yes, even the Robots have a band, and, not being egocentric, we think it is the best dressed; it does the best playing; and, it is the best directed in the Toledo school system. How did this all happen in such a short time? Well, it began like this. Two years ago the students of Macomber and the very versatile and talented musician, Miss Cecile Vashaw, got together and decided to have a band. In these two years, through the efforts of the student body, Principal Dannenfelser, Miss Vashaw, and the faculty, money was raised for the purchase of forty uniforms. Out of the funds set aside for the band's needs, various instruments were also purchased.

Macomber has made considerable progress due to the addition of different sections, and all indications point to a continued good band for Macomber.

Ray Piotrowski, Russell Lehman, Ray Toska, Bernard Bush, and Fred Siferd

If a member of the Engineering Society were asked to define the objective of his club, he would say, "The Engineers are organized to study the basis of our modern civilization-engineering." This objective, the members pursue by exploring new developments in mechanical engineering.

Lest we forget, as time goes on, the activities in which we, the Engineers, have participated this year, let us briefly review and record. In spite of our disappointments resulting from speakers' having been used for National Defense work and the war situation's stopping our trips to the factories, we have had one of the most successful years in the club's history.

Our dances and skates and other social activities were great successes.

In our annual basketball game against the Hi-Y club, we emerged victorious by a score of 32 to 13, for which the Hi-Y reciprocated with a very fine party.

The Engineers' thanks go to our adviser, Mr. Schweinhagen, all fellow officers, committee men, members, and, to each and every student who has helped make this year such a successful one for the Macomber Engineering Society.

Jack McGiffin

# The Hi-Crier

**FRONT ROW**

Bud Prottengeier, Irving Alloy, Russell Lehman, Sylvester Zoltanski, Jim Raifsnyder, Jack Anteau, Bruce Bayer, and Mr. George Hammersmith

The Hi-Crier of Macomber, one of Toledo's outstanding high school newspapers, proclaims "Student Endeavor." Written, edited, and printed by the students, with little faculty domination, The Hi-Crier is indeed an essential part of Macomber's school life.

The "Mac" paper is published every other week because only a relatively small amount of school time is allowed for its publication.

Many schools have regular journalism classes meeting every day to aid them in publishing their school paper. The Hi-Crier Staff is looking forward to the day when classes in journalism will be established for the purpose of publishing the "Mac" paper.

This year The Hi-Crier is proud in having one of the largest subscription totals in the history of the paper. This accomplishment was possible because of the loyal support which you, students of Macomber, gave to the staff.

The Hi-Crier Staff of 1942 wishes to show their appreciation by thanking Principal Dannenfelser, Dean Baumker, members of the faculty, and the students of Macomber for their whole-hearted support in the production of the paper.

# The School Calendar

As in past years this yearbook again features a Calendar of School Events. This Calendar is a day-to-day diary of important happenings in our school, during the 1941-42 school year.

In the past two Semesters we have been fortunate in having our full share of entertainment, work, and play. There were basketball, baseball, and intramural games, movies, dances, skating parties, assemblies, roasts, and free days.

These pages of this yearbook will tell you the story of what happened in Macomber this last year.

### SEPTEMBER-1941

8—School reopens, Principal welcomes 512 Sophomores.
11—Hi-Crier staff meets the first time for the purpose of organization.
17—Craftsman staff meets and plans '42 yearbook.
25—Yearbook staff elects Paul Ewing, Editor.

### OCTOBER-1941

1—The typical Macomber Sophomore drawn at Hi-Crier assembly.
3—Last day to have Senior pictures taken.
4—Mr. Backus passes on; school in sorrow.
8—Assembly featuring, General Electric "House of Magic."
8—First free W. P. A. dance.
8—Plumbers sponsor first skating party of year.
9—Unsatisfactories handed out.
12—Senior Hi-Y roast at Side Cut Park.
15—Parents view Macomber at Annual Open House.
21—Wayne Morris as the "Quarterback," shown in the little Theatre.
24—Northwestern Ohio Teachers' meeting; no school.
27—Assembly to start subscription drive for "The Craftsman."
29—W. P. A. dance.
31—Hallowe'en Party given by the Hi-Y clubs.

### NOVEMBER-1941

5—Senior Hi-Y skate at Memorial Hall.
7—Annual convention in Columbus, Ohio, for all members of the Craftsman and Hi-Crier staffs.
10—Lieutenant Bowman, of the United States Navy, was guest speaker at an Armistice Day assembly.
11—Free day, Armistice Day.
11—"Mac" Band marches for the first time in twilight Armistice Parade.
12—W. P. A. dance
14—Senior class holds Primary Election.
20—Thanksgiving Day, Free Day.
21—Hangover from Thanksgiving Day, another Free Day.
25—Robots start basketball season with win over Alumni. Final score, Alumni-24 vs. Varsity-25.
26—W. P. A. dance.
28—Basketball game on home floor, "Macs" win second straight. Oak Harbor-18 vs. Macomber-36.

### DECEMBER-1941

3—Engineers give skate at Memorial Hall.
4—Seniors hold election; Tom Fairbairn, President.
5—Movie "Ramparts We Watch" flashed in Little Theatre.
5—"Macs" lose first city game to the Central "Irish," a home game, Central-37 vs. Macomber-27
10—W. P. A. dance.
11—"Macmen" lose second in row to Woodward on home floor, Woodward-30 vs. Macomber-29.
12—"Macs" win one at the Ottawa Hills gym to even year's total, Macomber-43 vs. Ottawa Hills-42.
19—Robots lose third straight home game to Scott "Bulldogs," Scott-32 vs. Macomber-26.
19—Christmas assembly and Xmas parties in most shops.
19—Christmas vacation starts today.
"Merry Christmas and Happy New Year to Everybody."

### JANUARY-1942

5—Everyone back in school after a two weeks' layoff.
8—The annual Hi-Y vs. Engineers basketball game; the Engineers win 32 to 13.
9—Senior class meets and plans for Prom and Graduation.
12—Seniors from Whitney and Macomber stay after school to greet 29 U. S. A. Officials from Washington D. C.
13—Students hear concert given by W. P. A. Orchestra.

13—Juniors hold class election.
13—"Mac" Basketball team in rut, lose fourth city game in row, Macomber-26 vs. Libbey-31.
14—W. P. A. dance.
15—This year's second and fourth week shop students begin their final first Semester Exams.
16—Still doing Exams.
16—Count Cutelli gives talk and demonstration on "Radio and Motion Picture Sound Effects."
16—Robots win first city game from DeVilbiss at home, DeVilbiss-28 vs. Macomber-30.
21—First and third week shop students start Semester Exams.
22—Finish Exams.
23—Free Day for all students.
23—Macomber loses fifth out of six city games to Waite, Macomber-24 vs. Waite-37
27—Dancing classes, for beginners, start today.
28—W. P. A. dance.
29—Paul Ewing, in a National Contest, wins a $300 scholarship to Carnegie Tech.
29—"Macs" drop sixth city contest, second this season to Central, final score, Macomber-34 vs. Central-44
30—Assembly for Seniors, "Facts on the Navy."

**FEBRUARY-1942**

4—Hi-Y and Engineers attend a Cupid's Clog given by the Friendship Club at Whitney High.
5—Errol Flynn and Miriam Hopkins in "Virginia City" viewed by the students in the Little Theatre.
6—"Macmen" lose again to the Woodward "Polar Bears," Macomber-33 vs. Woodward-39.
9—Country goes on War-time; students come to school a half hour later.
11—W. P. A. dance.
11—Robots win second league contest, first win over a Scott five, score; Macomber-51 vs. Scott-49.
12—Lincoln's Birthday, we go to school.
13—Unlucky day, Friday the 13th.
14—Valentine's Day, free day (Saturday).
16—Mrs. Bertha Hess speaks on "Boy-Girl Relations."
16—Senior Skate held at Coliseum Skating Rink.
18—Intramural basketball championship game won by Junior Welders, Senior Aeronauts-20 vs. Jr. Welders-21.
20—Washington and Lincoln Birthday assembly.
20—"Mac" Craftsmen lose again to the Libbey 'Cowboys," Libbey-34 vs. Macomber-29.
25—W. P. A. dance.
25—Mr. Apple's Electricians' Skate at Memorial Hall.
27—"Macmen" defeat their DeVilbiss cousins for second time; the score was Macomber-28 vs. DeVilbiss-23.

**MARCH-1942**

6—Macomber drops final game of basketball season to Waite, Waite-31 vs. Macomber-25. The team also lands in a tie for last place with our DeVilbiss cousins.
10—Basketball game Welders vs. the Faculty Five. The Faculty won 21 to 20.
11— W. P. A. dance.
11—Scholastic Press Meeting given by the Hi-Crier.
13—Friday the 13th.
13—"Mac Frolic," a party sponsored by the Hi-Y club.
16—Junior Class Skate at the Coliseum Roller Rink.
17—"Macmen" execute first Air Raid Drill splendidly.
18—A movie shown in the Little Theatre.
25—W. P. A. dance.
26—Assembly in auditorium, guest speaker.
30—Spring vacation begins.

**APRIL-1942**

5—Back to school, Spring vacation ends; time is changed back to 8:15 to 2:40.
8—W. P. A. dance.
9—First Annual Basketball Banquet is held in the Macomber Cafeteria.
10—Assembly in auditorium, guest speaker.
15—Engineers' skating party.
22—W. P. A. dance.
24—Senior Prom held in Secor Hotel, Lew Waterman's orchestra played.
30— The "Mac" Carnival.

**MAY-1942**

1—The "Mac" Carnival.
1—Movie flashed in Little Theatre.
6—W. P. A. dance.
15—Junior Prom.
19—Assembly in auditorium, with a guest speaker.
20—Last W. P. A. dance.
21—The Senior Banquet.

**JUNE-1942**

4—Graduation Exercises in Macomber's Little Theatre.

**The End**

MACOMBER

# The Merit Parade

Jack McGiffin,
*Senior Aeronaut*

Floyd Driver,
*Senior Pattern Maker*

Louis Muzzo,
*Sophomore Mechanical Drafter*

Vernon Weaver,
*Junior Electrician*

Eugene Werstler,
*Junior Electrician*

Jack Winkler,
*Sophomore Mechanical Drafter*

The Toledo Blade presents the Merit Parade, which appears weekly on the school page. Students presented on this Parade "are outstanding in Toledo high schools, selected by each principal on the basis of scholarship, leadership, character, and service to the school." Each "Merit Parade Student" is presented with a merit badge by the Toledo Blade.

The young men pictured upon this page have represented Macomber in the Blade Merit Parade. Nice going boys; keep up the good work!

# Athletic Board of Control

F. M. Dannenfelser

Clyde Harr

G. C. Clements

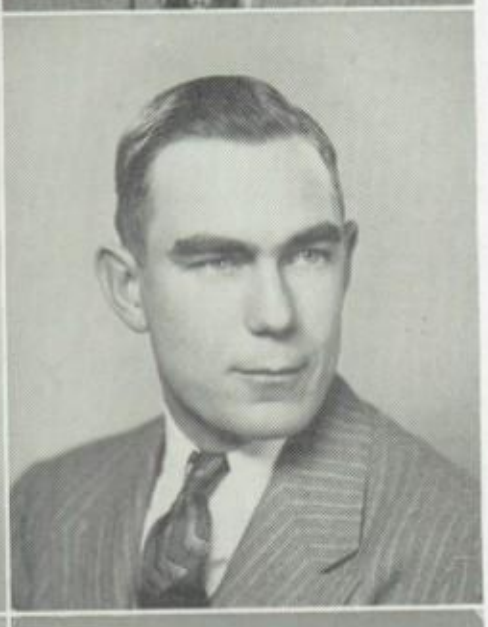
F. M. Oates

G. B. Peuhl

The Athletic Board of Control governs the athletic policies of this school. Our various sport activities are regulated and supervised by this group. They arrange all the schedules for the varsity sports; the various varsity athletic awards must first be approved by the Board before being given to any participant in Macomber's athletic activities.

Mr. Dannenfelser acts as chairman of the Board, and, Mr. Harr, the Faculty Manager, appoints the officials for the basketball and baseball games, and also, works with the faculty managers of other high schools to make arrangements for inter-scholastic athletic events.

The primary objective of the Athletic Board is to encourage and promote a well-rounded varsity athletic program.



Clyde Harr

George Muellich

Walter Ardner

Ralph Balyeat

Alvin Bippus

Dr. John Orwig

# Craftsman Coaches

## A Salute To The Coaches

"Long before the present war program assumed proportions that make it the most outstanding event in our nation's history, the coaches of high school and college teams were building our country's main foundation, the vigorous health and stamina of American youth. Today our coaches are, more than ever, in the first line of defense, for they are helping to produce the men of iron and steel who will bring Victory to America and her Allies, and, peace to the world."

These words, taken from Scholastic Coach Magazine, show just one of the reasons a hearty word of thanks should be given to Macomber's Coaching Staff. These men are yearly doing a great job in coaching fine young athletes, many of whom have gone, and, many of whom will go into Uncle Sam's Forces; and, as such, they will all be well fitted for serving with the Best Fighting Force in the world today.

We thank each of you, Clyde Harr, George Muellich, Walter Ardner, Ralph Balyeat, Alvin Bippus, and Dr. John Orwig, varsity physician. We thank you for your swell job here at Macomber, and we wish you continued success in the years to come.

MACOMBER

# Varsity Baseball

**BACK ROW**

Richard Markowiak, Leonard Kaczmarek, Len Szymanski, Melvin Koczorowski, and Mr. Clyde Harr

**SECOND ROW**

Bob Nitray, Fred Nelson, Al Grove, Dan Pilaczynski, and Joe Swaskee

**FRONT ROW**

Clarence Zielinski, George Strick, Leonard Tincher, Joe Romp, Bob Hessey, and Karl Lindeman

"Woe is me," sighs Coach Clyde Harr, when he thinks back to those days when his Macmen were riding the championship trail.

This year's gang could use some heavy stickwork and a couple of reliable pitchers very well. The lack of hitting power was noticeable last fall when the Macs were having their usual fall practice. The Craftsmen played four games during this period and came up with a record of 3 wins and 1 loss. They dropped the opener to Lake High and then won the other three from Walbridge, Tontogany, and Lake High Schools. The team held up very well in the field, but, as was mentioned before, they were weak at the plate.

This spring, Coach Harr had a turnout of over 50 boys. With the shortness of the baseball season this group was soon cut down to some 18 players. The team is all new from the ground up with only two players back from last year. Clarence Zielinski, shortstop; and Al Grove, utility player, were the only boys with any playing experience from last season's team.

We wish this year's team "lots of luck" and hope they "sparkle on the diamond" as other Macomber teams have in the past.

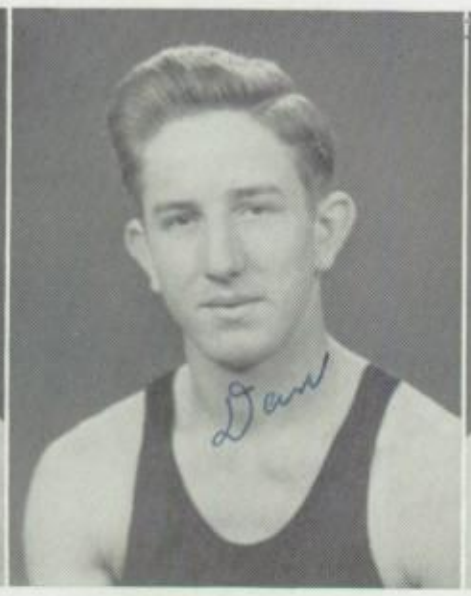
MACOMBER

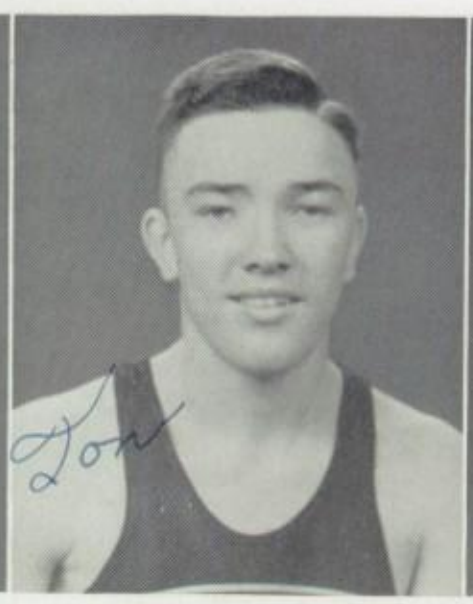
# Varsity Basketball

Joe Swaskee



Daniel Pilaczynski

Jim McEwen



Tom Rutter

Eugene Gyurko

Macomber's 1941-42 varsity basketball team, the squad that carried all the hopes of rising to the heights, ran into some "bad breaks" the first part of the season, and then, just could not get started.

The Craftsmen, with a record of 3 wins and 9 losses, finished in a tie for the cellar with the DeVilbiss Tigers, a team which our boys defeated both times they met during the season. This gives a very good idea of our varsity's bad luck. The Tigers won their games from teams higher up, while the Macmen just couldn't break the ice with the leaders.

Along with the two victories over DeVilbiss, the Macs won a high scoring, 51 to 49 contest from the Scott Bulldogs. The varsity also won three non league games from Oak Harbor, Birmingham, Michigan, and Ottawa Hills. The 43 - 42 victory over the Hills quintet was that team's first defeat from a Toledo High School team.

Co-Captain Len. Tincher led the season's scoring, with 115 points for fifteen games. The Craftsmen, as a team, totaled 474 points to the opponents' 507. The game average of 30.5 compared to 33.5 for the enemy shows how much a few breaks our way would have changed the picture.

# Reserve Basketball

**BACK ROW**

Leo Kubiak, Oscar Toth, Ernie Pietrykowski, Stan Golba, Frank Bires, and Leonard Goodwin

**SECOND ROW**

Bob Mathias, Robert Jackson, Ed Solomon, Ted Streeter, Gerhardt Piel, and Bob Hessey

**FRONT ROW**

Ed Bartko, Dick Bentz, Harold Barrett, Ray Piotrowski, Jack Jaegly, and Art Gast

Macomber Lightweights finished the season in second place with the record of 8 wins and 4 losses. The team, as a whole, showed a great fighting spirit throughout the season, and, more than ever before, went into the games with the resolve to do or die.

Gerhardt Piel led the team in scoring with a total of 75 points. Right behind him were Ernie Pietrykowski with 74 points, and Big Ed Solomon with 72 tallies.

Bob "Ace" Mathias was elected honorary Captain at the end of the season, and was so honored at Macomber's First Basketball Banquet.

As we all know, Macomber has no freshman class, and, as such, have no freshman teams. In order to compensate for this handicap our school has been allowed to enter a group of sophomores in the City Freshman League. This gives our Coaches a better chance to perfect material for the varsity. This is the second year Macomber has been represented in the freshman league. The boys came out all even this year with a record of 6 wins and 6 losses. Stan Golba was elected honorary Captain of the Freshman Team.

# Bowling

*American League*

Mack Smiley
Al Rafalski
Daniel Pilaczynski
Art Oleksiak

The American Leaguers seem to have played in much tougher surroundings than their brother bowlers, because they ended the season reaching only fourth place with a record of 38 wins and 16 losses. Danny Pilaczynski, Al Rafalski, Mack Smiley, Ray Zion, and Art Oleksiak were the big guns for the American League Team.

The Mac Keglers are sorry they didn't win the championship this season, and, express their hopes of returning next year and winning both titles.

*National League*

Robert Jewell
Ambrose Dybala
Clarence Zielinski
Francis Packo

The National League Bowlers, represented throughout the season by such fellows as Francis Packo, Clarence Zielinski, Dixie Banachowski, Lawrence Woeller, Robert Jewell, Ambrose Dybala, Eugene Kajtaniak, and Joe Kerekes, ended the season by just missing the Championship and finishing in second place after the Libbey Cowboys, who took first place. The "Nats" wound up the year with a record of 37 wins and 17 losses.

# Golf

Art Oleksiak, Ervin Purol, and Paul Kuntz

Mack Smiley, Al Rafalski, and Stanley Tambor

The Craftsmen Golfers ended the 1941 season in fourth place, with a record of five winning matches and four losses. From there the teams battled to fourth position in the Northwestern Ohio District Tournament.

Seniors Art Oleksiak, Al Rafalski, and Mack Smiley are all veterans from last year's wars. The other players who comprise the Golf team are; Ervin Purol, Paul Kuntz, Richard Printke, Frank Pozniak, Robert Holmes, Erwin Klocinski, and Gene Chapman.

The Mackmen started off the season by defeating DeVilbiss 12½ to 11½, which is the first match the Tigers have lost in three years. Coach Balyeat says that, with a team like this, Macomber can be assured of being well represented on the fairways and on the greens.

# Tennis

Clement Nadolny

Dave McEwen

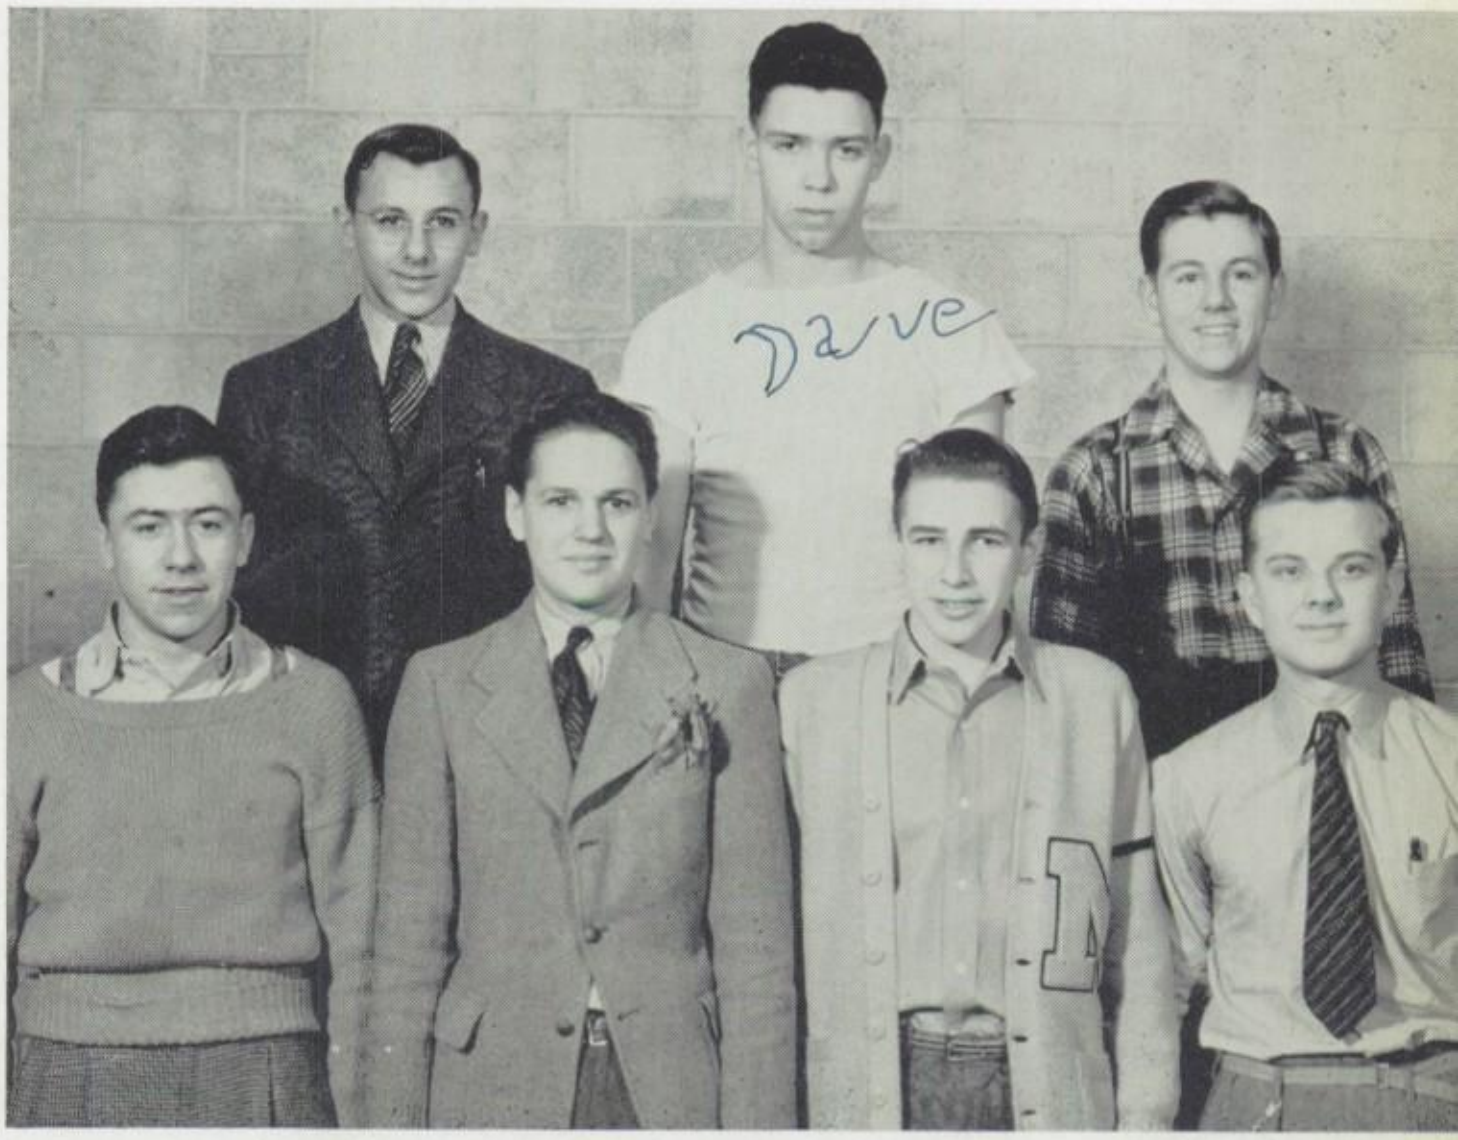
Pete Hamel

Bruce Bayer

Marcus Cummings

Charles Vannorsdall

Paul Happ



When Alvin C. Bippus became Macomber's Tennis Coach, two years ago, he was faced with the job of building a non-veteran squad into a veteran tennis team to represent our school. He met his task by working a group of Juniors through the 1940 season, and, then in the following year we saw them place third in the city league. The team lost only to DeVilbiss and Scott.

This season Coach Bippus is again in the same position he was two years ago. All of last year's veterans graduated, leaving only Charles Vannorsdall and Dave McEwen, both having seen some action.

The fellows who survived the Tennis tryouts last fall include: Charles Vannorsdall, Dave McEwen, Marcus Cummings, Ed Dunlap, Pete Hamel, Paul Happ, and Clement Nadolny. From this group Mentor Bippus plans to form another successful Macomber Tennis Team.

# Intramural Managers

**BACK ROW**

Stan Golba, Bill Roberts, Don Hoffman, James Guntsch, Eugene Gyurko, Layton Welker, and Gil Kingston

**THIRD ROW**

Delbert Olson, Mitch Haddad, Joe Swaskee, Clarence Zielinski, Kenneth Hanna, Ted Streeter, Charles Mininger, and Bob Nitray

**SECOND ROW**

Frank Pozniak, Irving Alloy, Robert Moungie, Jim Zimmerman, Jim Gilmore, Wayman Palmer, Steve Tyburski, Eugene Richardson, and Melvin Dlugosielski

**FRONT ROW**

Chester Pomorski, William Beaudry, John Lynch, Jim Tucker, Richard Adams, Herman Szymanski, Jim Jones, and Frank Bires

## Macomber's Intramural Program

Not every boy can be a varsity man because a coach is limited to the number of boys he can use, and, because of this limitation, he tries to get the best of the boys at hand. The question is, "How can the great majority of boys take part in sports?" This is easily answered by the vastly growing intramural programs. Now, more than ever before, intramural sports are going to play an important part in the defense and impending offense of our country.

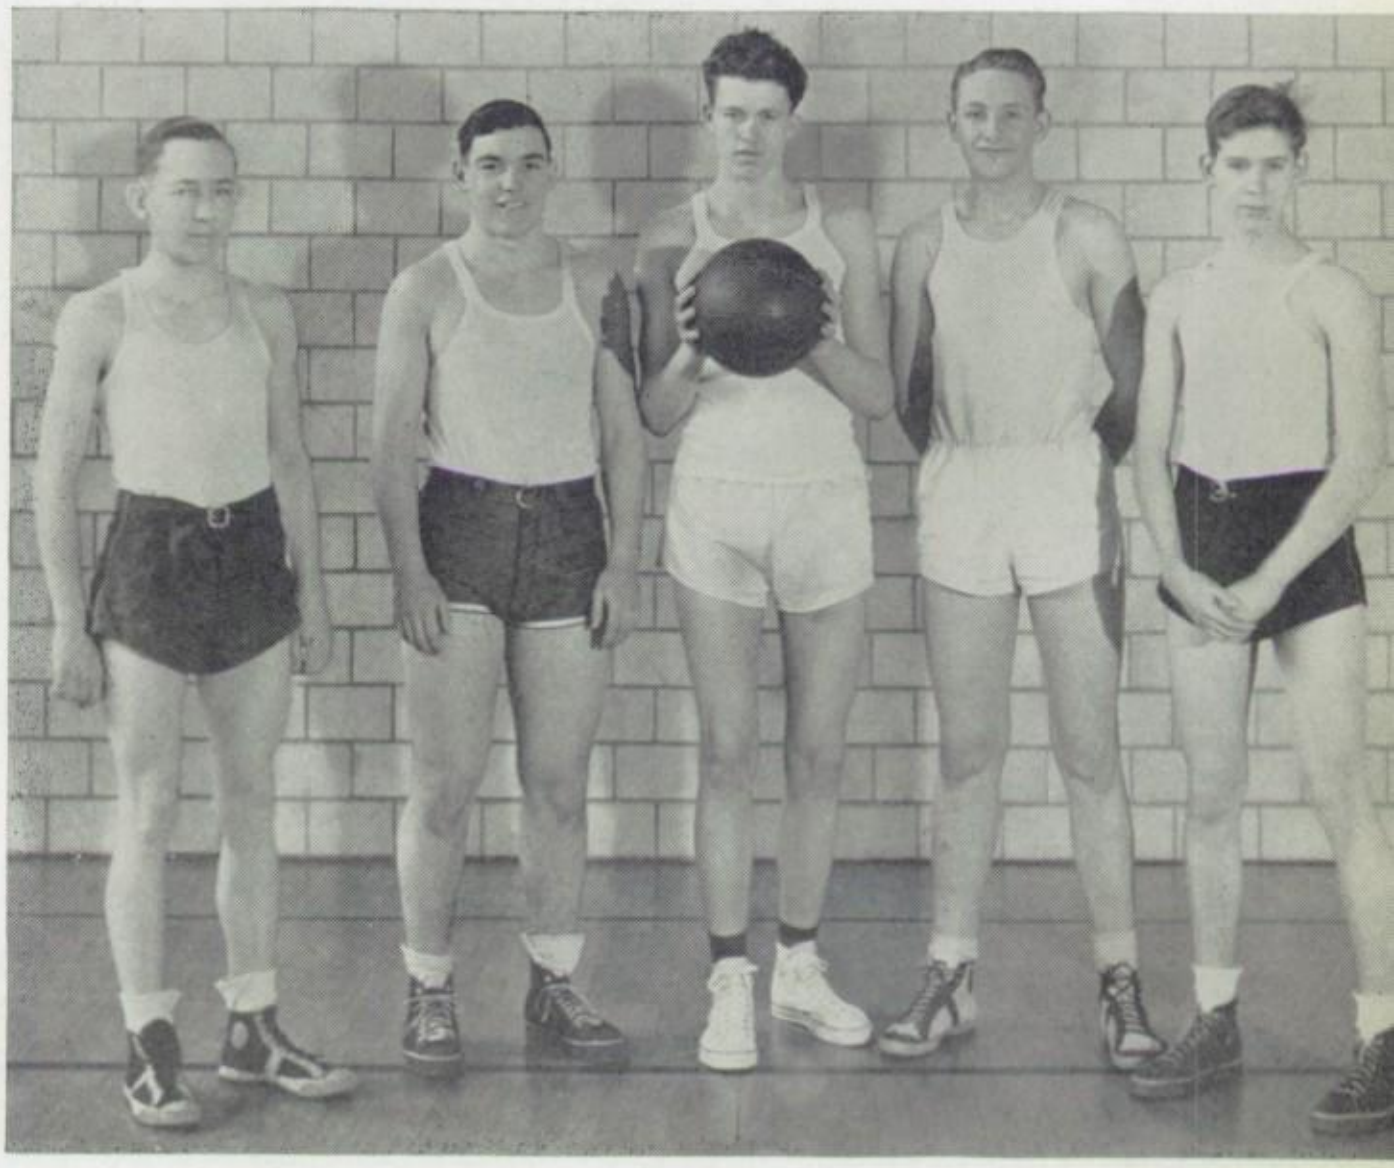
Here at Macomber, under the careful guidance of Coach Ardner, is one of the outstanding intramural programs of the city. Four nights a week, all the year

MACOMBER

# Intramurals

## Basketball Champions

*Welding 2 - 4*



Bernard Ostapowicz, Richard Babel, Robert Morris, Richard Sieczkowski, and Dale Friedel

round, some form of sport is available to every boy in the school.

At the beginning of the school year each shop holds an election of Intramural Managers. When a sport comes up, Coach Ardner holds a meeting with all the managers, and the plans for the coming sport are arranged. As the year goes along, each team is awarded so many points for its position in the final standings of each sport. When the end of the school year rolls around, each of the shop's points are totaled, and the leading shop team becomes "School Champion." An annual plaque honoring the champion is then made and placed on the wall of the Macomber Gym. An interesting factor in becoming "School Champion" is this; a shop may go along and never win a championship in any one of the sports and yet they may become the "honored gang." A team may get a first place in one sport and a last place in another; yet their score won't amount to as much as a team's getting two second positions.

Coach Ardner and all the boys connected with our intramural program richly deserve all the credit in the world for carrying on one of the most important and beneficial activities in the school.

"Every boy in sports and everyone a sport" is the watchword of Macomber's intramural program.

Tom Rutter, the foul shooting champion, is shooting.

**Around the foul circle from left to right are:**

Jim Greenwood, Kenneth Willard, Joe Churilo, Bob Holdren, Leonard Tincher, Mitch Haddad, Daniel Pilaczynski, Frank Zurawski, Dale Friedel, runner-up, Joe Swaskee, Robert Mathias, Paul Hart, Leo Kubiak, and Vernon Hessenius.

# Appreciation

AT THE TURNING of this page the 1942 History Book of Macomber will have been finished. Therefore, it is most fitting and proper that this very difficult, however pleasant, task should now be undertaken by the editor, who, on behalf of everyone concerned, gladly takes this opportunity to direct a magnanimous expression of thanks and appreciation to all those contributing to the grand success of this, "The 1942 Craftsman."

First, we would like to thank the following commercial concerns who cooperated with the staff in the production of our yearbook: The Photo Reflex Studio of LaSalle and Koch's who took senior and faculty pictures; The Huntzinger Studio of Piqua, Ohio, who took undergraduate and group pictures; Kalmbacher and Sons who made our covers and bound the books; and The Graphic Arts Corporation who produced our printing plates.

Most directly affiliated with us, as staff members, were our principal and the instructors who served in an advisory capacity. Our principal, Mr. Dannenfelser, has constructively helped us in the creation of our yearbook, and, for this we are very grateful. Our advisers insured the yearbook's success by helping the staff keep on the "straight and narrow" successful yearbook trail.

Mr. Doebler, the general adviser, was the nucleous around whom all the advisers directed their efforts of indivi-ual specialization. He has performed efficiently the difficult task of keeping student and teacher workers in the harmonious relationship to our objective of producing a yearbook. For this, we extend our heartiest thanks.

"Hats off" to the very capable instructors who directed the production of this illustrious volume: Mr. Goodrich, for the high-grade printing; Mr. Spring, for the beautiful art work; Mr. Sanzenbacher, for the attractive photographic job; Miss Schwertzler, for her literary guidance; Mr. Baumker, business adviser; Mr. Damas, sales adviser for the direction of our financial problems; and Mr. Ward for furnishing us with our "right and on time" copy.

Although I find words inadequate to thank my fellow staff members, I do take great pleasure in extending my greatest and incalculable thanks to all of you who have worked so faithfully and diligently at our task. FAREWELL!
